Wednesday 25th March

Dear Parents & Carers,

I hope you are all keeping well.

School is very quiet and the staff who are in school, as well as those working at home, miss everyone very much!

I would like to share some good news stories with everyone, and so instead of my usual newsletter would like to share some of the great things that are going on at home, with our school community. If you would like to share a photo and a short caption to go with it, of something your child/children have been doing this week, then please send it to office@benwick.cambs.sch.uk by 12 noon on Friday. I will collate these and send them all out as a newsletter at the end of the day on Friday. This is not compulsory and you do not have to participate if you don't want to.

The teachers are already underway on preparing home learning for week 2 - next week is technically only 3 days long as term was due to finish on Wednesday next week, so please don't feel obliged to do every single activity. We understand our families have different circumstances and different access to technology etc and so there is no set expectation on what must be done each day, just do what you can to keep the children in the swing of learning, particularly reading, writing and maths! You are doing a great job – well done! Over the next week staff will try to contact each family individually by phone, dojo or email to offer some individual support.

Please enjoy the sunshine whilst it lasts!

Best wishes.

Yours sincerely

Clare Talbot
