Updated post pandemic
September 2024

This Remote Education Plan aims to:

- **Outline the school's approach to educating pupils who will not be attending school, as a result of government guidance**
- **Make clear our expectations of staff who are self-isolating but healthy and able to continue planning, teaching and assessing pupils' work**

- **Ensure that remote education is offered as soon as it becomes necessary**
- **Ensure consistency in the approach to remote learning for all pupils, including those with SEND, who aren't in school through use of quality online and offline resources**
 - **Provide clear expectations members of the school community with regards to delivering high quality interactive remote learning**
 - **Include continuous delivery of the school's broad curriculum, as well as support of pupils' well-being**
 - **Ensure that pupils learn new facts and concepts, as well as reinforcing prior learning**
 - **Ensure that pupils engage in learning they would have completed had they been in school as normal**
- **Ensure that online tools used enable appropriate interaction with pupils, the assessment of their work and the provision of feedback**

Adapted work for children receiving a differentiated curriculum in class will continue to be provided and uploaded to the website. Individual phone/video call support will be provided in addition to support parents and children who have an EHCP.

Technology:

We have asked parents to let us know if they do not have the required technology at home, so that we can plan to source this.
