

Dear Parents and Carers,

Message from Mrs Talbot:

It has been a very sad end to our first week of term, with the loss of our much loved staff member Mrs Janice Fiore. Thank you for your kind messages, this has been a real support to us all. We will continue to support children and staff in their grief as they need it in the weeks to come. We will let you know about any further arrangement for tributes and remembrance.

Learning and the curriculum continues as normal in the classrooms; you should all have received class letters and curriculum details via email this week, please do look at these so that you can talk about your child's learning with them at home.

Have a lovely weekend.

Mrs Talbot - Headteacher

Forty Foot Road Closure

Just a reminder the Forty Foot river bank road will be closed from Monday 15th January until the 15th March from the Doddington Road junction to Puddock Road junction. For those that travel that direction each day please allow extra travelling time.

Census School Lunch Special

The school has to complete a census each term and as part of the census we have to record how many school lunches are taken on that day. These figures help determine some of the important funding the school receives throughout the year so it is really important as many children as possible have a school lunch on census day. Census day this term is Thursday 18th January and we are celebrating with a 'Wheel of fortune' special menu. Before Christmas each class were given 7 lunch options and they each had a vote. We have compiled the results and our top 2 favourites have been chosen, these are hot dogs or cheesy pizza with chips and baked beans. The full menu is attached.

If your child doesn't normally have a school lunch but would like to try the favourite's day lunch then please do encourage them to have one. You will be helping us secure vital funding.
