Dear Parent/Carer,

At Benwick Primary School, we know how important *learning to read* and *reading to learn* is. We want *every* child to be a reader and to develop a love of reading. We know that being a reader will make a significant difference to their education *now* and *in the future*.

As part of Reading for Pleasure at Benwick Primary School, I will be setting monthly reading challenges for your child to complete at home. You will find these on the reading page of our school website. The first challenges have been set!

On the school website, you will also find information and resources to help support your child with reading at home, and ways of creating a love for reading.

For further information, please look at the website.

Thank you for your support,

Miss Wakefield

English Lead
